## Colorblind Tools: Global Technologies of Racial Power

Paperback / softback

416 pages

Northwestern University Press

ISBN 9780810145269

Catalog price: 46.00 EUR

A study of anti-Blackness and white supremacy across four continents demonstrates that colorblindness is neither new nor a subtype of racist ideology, but a constitutive technology of racism. In *Colorblind Tools*, Marzia Milazzo offers a transnational account of anti-Blackness and white supremacy that pushes against the dominant emphasis on historical change pervading current racial theory. This emphasis on change, she contends, misses critical...
